

‘Bridging the Gap’ Listening Event

You are invited to our listening event on End of Life care. We want to find out what can be improved and how can that be achieved.

With support from our colleagues at Willowbrook Hospice and St Helens CCG there will be presentations about what’s available in St Helens, Advance Care Planning and information on DNAR (Do Not Attempt Resuscitation) orders. There will also be an opportunity to share your experiences.

Refreshments will be provided.
