

Bereavement Cafe

A safe, welcoming space where we can come together to help and support each other in difficult times

Together we will create:

a safe,
welcoming
place for
everyone

a place to
talk and be
heard

a place where
community
comes
together

a place to
make new
friends

a place where
people listen
and support
each other

Helping you to be in a better frame of mind, to be more able to cope with the day to day challenges we face

Bereavement Cafe

Pilot project funded by LCR Cares

Whether your bereavement is recent, a long time ago, or you want to support a bereaved person,
everyone is welcome
