

HELP US SHAPE NHS COMMUNITY SERVICES IN YOUR AREA!

During the summer our **Big Conversation** events brought staff, partners, commissioners and local people together to talk about how we develop our services to keep people healthy and out of hospital.

Our organisational strategy will be launched soon with plans tailored to the needs of the place you live or work in. We want you to be involved in creating these plans at our next set of events. Drop in anytime during the sessions at:

**CHILD
HEALTH**
